EDUCATION

2023 - 2025

CALIFORNIA STATE UNIVERSITY,
FULLERTON

- Bachelor of Science in
Computer Science

2020 - 2023

EL CAMINO COLLEGE

- Coursework in Computer
Science and Mathematics

HARD SKILLS

- C++ / C#
- Python
- Java
- Unity
- Git / Github
- Jira and Agile
- Javascript
- React

SOFT SKILLS

- Team Collaboration
- Leadership
- Problem Solving
- Adaptability

PROFILE

Recent Computer Science graduate with hands-on experience developing C++ and Python applications during an internship at Lockheed Martin. Also experienced in web development through personal and academic projects. Skilled in software engineering, version control, and collaborative development. Eager to contribute to impactful software and web-based projects in a dynamic, team-focused environment.

WORK EXPERIENCE

Lockheed Martin Space

MAY - AUGUST 2023

Software Engineering Intern

- Contributed production-level C++ code to a large-scale software project for Lockheed Martin Space.
- Developed and maintained automated tests using Python to validate new features.
- Collaborated in Agile team meetings, code reviews, and sprint plannings.

Palos Verdes Peninsula High School

2021 - 2022

AVID Program Tutor

School Year

- Led tutoring sessions in math and science for small student groups (4-6 students)
- Encouraged collaboration and peer-to-peer learning.
- Assisted teachers in student study group placements and evaluated student work.

Mathnasium

2019 - 2020

Instructor

- Tutored math to 5-12 students from elementary to high school levels.
- Assigned and graded worksheets tailored to individual learning levels.
- Collaborated with staff to optimize instructional support for 40-50 students.
